RE: Water Quality Certification, 2nd Amendment, for Order No. 9011

Dear Ms. Pihlstrom:

On February 15, 2012, Ecology issued the 401 Certification, Order No. 9011 for the SR 520 I-5 to Medina Bridge Replacement & HOV project. Ecology is amending the Order to correct an error in one of the conditions providing a mailing address and updating concrete requirements to be more consistent with the NPDES Construction Stormwater Permit. Enclosed is the amendment to Order No. 9011.

All other conditions of Water Quality Certification, Order No. 9011 remain in effect. Any correspondence or questions can be directed to the attention of Penny Kelley, Federal Permit Coordinator, at Department of Ecology, P.O. Box 47600, Olympia, WA 98504, or she can be reached at 360-407-7298. The enclosed amended Order may be appealed by following the procedures described in the amendment.

Sincerely,

Brenden McFarland, Section Manager
Environmental Review and Transportation Section
Shorelands and Environmental Assistance Program

	)	Portage Bay Bridge, Union Bay Bridge
	)	and the Evergreen Point Bridge

This amendment is issued under the provisions of Chapter 90.48 RCW and Chapter 173-201A WAC.

Administrative Order No. 9011 is hereby amended:

The amendment is as follows

Condition A.2 that reads:
All submittals required by this Order shall be sent to Ecology's HQ, Attn: Federal Project Coordinator, P.O. Box 47600, Olympia WA **98506** or via e-mail (preferred), if possible, to the Coordinator assigned to this project. Notifications shall be made via phone or e-mail (preferred). All submittals and notifications shall be identified with Order No. 9011and include the Applicant's name, project name, project location, the project contact and the contact's phone number.

Is replaced as follows:
All submittals required by this Order shall be sent to Ecology's HQ, Attn: Federal Project Coordinator, P.O. Box 47600, Olympia WA **98504** or via e-mail (preferred), if possible, to the Coordinator assigned to this project. Notifications shall be made via phone or e-mail (preferred). All submittals and notifications shall be identified with Order No. 9011and include the Applicant's name, project name, project location, the project contact and the contact's phone number.

Condition E.21 that reads:
Concrete process water shall not enter waters of the state. Any concrete process/contact water discharged from a confined area shall be routed to a contained area to be treated and infiltrated or disposed of appropriately with no possible entry to state waters.

Is replaced as follows:
Concrete process water shall not enter waters of the state. Any concrete process/contact water discharged from a confined area with curing concrete shall be routed to upland areas to be treated and disposed of appropriately with no possible entry to state waters.

No other conditions or requirements of the above-mentioned order are affected by this amendment.

Ecology retains continuing jurisdiction to make modifications hereto through supplemental order, if it appears necessary to further protect the public interest.

FAILURE TO COMPLY WITH THIS ORDER

Failure to comply with this Order may result in civil penalties or other actions, whether administrative or judicial, to enforce the terms of this Order.

YOUR RIGHT TO APPEAL

You have a right to appeal this Order to the Pollution Control Hearing Board (PCHB) within 30 days of the date of receipt of this Order. The appeal process is governed by Chapter 43.21B RCW and Chapter 371-08 WAC. "Date of receipt" is defined in RCW 43.21B.001 (2).

To appeal you must do all of the following within 30 days of the date of receipt of this Order:

- File your appeal and a copy of this Order with the PCHB (see addresses below). Filing means actual receipt by the PCHB during regular business hours.
- Serve a copy of your appeal and this Order on Ecology in paper form - by mail or in person. (See addresses below.) E-mail is not accepted.

You must also comply with other applicable requirements in Chapter 43.21B RCW and Chapter 371-08 WAC.
