Washington State Department of Transportation

I-205 - Mill Plain Exit - 112th Connector

Traffic Related Impacts

Impacts for 112th Avenue, Chkalov Drive and Mill Plain Boulevard (10 p.m. - 5 a.m.)

- **Temporary lane shifts** on the westbound Mill Plain loop ramp while crews build a retaining wall.
- **Weekend single lane and full closures** of the westbound loop ramp will occur from 10 p.m. Friday to 5 a.m. Monday during the project.
- **Northbound I-205 on-ramp detour** will be built next to existing on-ramp, allowing crews to build the new bridge over the connector.

Impacts for I-205

- **Single and double lane closures** on I-205 between the hours of 10 p.m. and 5 a.m.
- **Closure of the westbound Mill Plain loop ramp** for reconstruction for a period of 15 calendar days (new 112th Connection will be open).
- **Closure of the eastbound left turn lane** for northbound I-205 for a period of 7 calendar days.
- **Advance warning signs will be posted** ahead of closures to alert motorists of the construction zone.
