Dear Ms. Pihlstrom:

We have received your request to modify the approved plans for the above-referenced Department of the Army permit. The permit authorizes replacing 5.2 miles of the State Route (SR) 520 corridor between Interstate 5 (I-5) and the City of Medina in wetlands and the waters of Portage Bay, Union Bay, and Lake Washington at the Cities of Seattle and Medina, Washington. The modification consists of a geotechnical boring. Your request for a permit modification is approved. Enclosed are the approved modified plans dated July 15, 2013, which supersede plans authorized by the Secretary of the Army on March 22, 2012, and July 20, 2012.

All other terms and conditions contained in the original permit remain in full force and effect. If you have any questions, please contact Ms. Rebecca McAndrew at rebecca.e.mcandrew@usace.army.mil or at (206) 764-6912.

BY AUTHORITY OF THE SECRETARY OF THE ARMY:

for Bruce A. Estok
Colonel, Corps of Engineers
District Engineer
