Subject: WALLA WALLA investigation

Elizabeth,
Please convene an investigation into the facts and circumstances surrounding the damage sustained by the propulsion motor on M/V WALLA WALLA on November 4, 2012 while at Eagle Harbor Maintenance Facility.

Please conduct the investigation in accordance with our current SMS policy and procedures. Coordinate with the Senior Port Captain for a Port Captain representative as necessary.

Please provide me a weekly update on the progress of your investigation.

Captain George A. Capacci
Deputy Chief, Operations & Construction
Washington State Ferries
