Washington State Department of Transportation

SR 520 Bridge Replacement and HOV Program

I-5 to Medina: Bridge Replacement and HOV Project

STATE ROUTE 520

Navigation changes on Lake Washington at SR 520

December 2015

UPDATE: Temporary closure of west navigation channel for West Approach Bridge North (WABN) construction activities

A West navigation channel closed

To accommodate WABN construction activities, crews are temporarily closing the west navigation channel for approximately two weeks beginning Monday, Jan. 4, to Monday, Jan. 18.

B Drawspan blocked

Drawspan blocked as of Feb. 17, 2015

C East navigation channel open

East navigation channel open. During the west navigation channel closure, all boats must use the east navigation channel to travel around the SR 520 floating bridge.
