

These contracts are planned for advertisement by the Washington State Department of Transportation for April 1, 2024 through March 31, 2025. Only one state route is displayed per project. Some types of projects, e.g., chip seals, bridge painters, seismic retrofits, electrical updates, and guardrail updates, may involve regionwide work. For projects with fish barrier corrections, the fish passage Site Id(s) are listed in the comments. Please note the advertisement dates are tentative and some information may change after this report is issued. Projects are dependent on funding availability. For current information, please visit the Contract Ad and Award website at <https://wsdot.wa.gov/business-wsdot/contracts/about-public-works-contracts/alerts-bulletins/contracts-planned-advertisement>

*ESHB 2134, Section 502 requires that:

TRANSIT, BICYCLE, AND PEDESTRIAN ELEMENTS REPORTING

By November 15th of each year, the department of transportation must report on amounts expended to benefit transit, bicycle, or pedestrian elements within all connecting Washington projects in programs I, P, and Z identified in LEAP Transportation Document 2024-2 ALL PROJECTS as developed March 6, 2024, in a manner consistent with past practices as specified in section 602, chapter 186, Laws of 2022.

For current information about COVID-19 related impacts to the contract advertisement and award process, please visit:
