Signing Plan

SW-1

SHEET 3 OF 22 SHEETS

The intent of the new signage implementation program at Southworth Terminal is to present passenger information legibly, in a visually consistent manner while keeping the site as uncluttered as possible.

Except as noted, all existing signs are to be removed.
Confirm sign removal inventory with Washington State Ferries at the time of implementation.
Some signs have been specifically marked to emphasize removal or retention.

RETAIN:
All MUTCD traffic control signs except as indicated
All Kitsap Transit parking, pay parking, and registered carpool signs
All disabled access and reserved parking signs
Red "CLOSED" plaques on barriers at Toll Booths
Red height markers (7'6") on Toll Booths
All small safety and instruction signs around dock area for ferry crews
The "WALK / DON'T WALK" passenger control light on dock
Safety sign on machinery shed door to left of terminal entrance
