RESOLUTION 2016-3, Complete Streets Policy

WHEREAS, "Complete Street" means a road that is designed to be safe for all motor vehicle drivers, bicyclists, pedestrians and other users; and

WHEREAS, the complete streets concept focuses on assuring that all users are considered during the planning, designing, building and operation of all roadways; and

WHEREAS, Chapter XI, the Transportation Element, of the Ione Comprehensive Plan created under the Growth Management Act established transportation level of service (LOS) measurements and goals (which at the time of their implementation were not deficient as determined under the relevant governing criteria);

NOW, THEREFORE, on the facts adduced, be it resolved hereby that Chapter XI, Transportation, of the Town of Ione Comprehensive Plan shall be amended by adding on Page 42 the following policy goal: "New transportation projects in the Town of Ione shall consider complete streets concepts during the planning, designing, building and operation of all roadways".

BE IT FURTHER resolved that this Resolution shall be filed for record in Office of the Clerk of the Town of Ione and the Clerk shall provide such notices of the same as may be required by law or Inter-Local Agreement with Pend Oreille County.
