NOTES

1. Type 4 Barrier and Barrier Transitions are allowed in temporary transitions only. Do not install new Type 4 barrier and barrier Transitions fabricated after December 31, 2019. This plan is provided as a means to verify that any Type 4 Barrier and Barrier Transitions fabricated prior to December 31, 2019 meet the plan requirements and cross-sectional dimensions as specified in **Standard Specifications Section 6-10.3(5)**.
2. For details on wire rope loop, connecting pin and end notches see **Standard Plan K-80.32 - Concrete Barrier Type 2**.
