

# B DISCIPLINE STUDIES AND LIST OF PREPARERS

The following individuals contributed to the production of this environmental assessment:

Name	Company	Role
<i>Paul Dreisbach</i>	<i>WSDOT</i>	<i>EA Reviewer</i>
<i>Jeff Sawyer</i>	<i>WSDOT</i>	<i>EA Reviewer</i>
<i>Victoria Book</i>	<i>WSDOT</i>	<i>EA Reviewer, 4(f) and 6(f) Analysis</i>
<i>Maria Laura Musso Escude</i>	<i>WSDOT</i>	<i>Noise Analysis</i>
<i>Jim Laughlin</i>	<i>WSDOT</i>	<i>Reviewer Noise</i>
<i>Karin Landsberg</i>	<i>WSDOT</i>	<i>Reviewer Air Quality</i>
<i>Roger Kiers</i>	<i>WSDOT</i>	<i>Reviewer of Cultural Resources</i>
<i>Craig Holstine</i>	<i>WSDOT</i>	<i>Reviewer of Cultural Resources</i>
<i>Carl Ward</i>	<i>WSDOT</i>	<i>Reviewer of Fish, Wildlife and Vegetation/BA</i>
<i>Erin Gardner</i>	<i>WSDOT</i>	<i>Reviewer of Transp./Land Use/Cumulative Effects</i>
<i>Ed Winkley</i>	<i>WSDOT</i>	<i>Visual Quality Analysis</i>
<i>Rebecca Smith</i>	<i>WSDOT</i>	<i>Socioeconomic and EJ Analysis</i>
<i>Pete Townsend</i>	<i>WSDOT</i>	<i>Utilities Analysis</i>
<i>Carol Lee Roalkvam</i>	<i>WSDOT</i>	<i>Indirect &amp; Cumulative Effects Analysis</i>
<i>Jean Carr</i>	<i>SCJ Alliance</i>	<i>Consultant Team Oversight, EA Editor</i>

Studies and technical reports were completed during the environmental and design phases of this project. They contain additional information that supports the conclusions found in this Environmental Assessment. They are incorporated by reference into this EA and listed on the next page. They may be found in their entirety at <http://wsdot.wa.gov/Projects/I5/MountsRdThorneLn/default.htm> as well as the locations listed at the end of Appendix B.

### ***Air Quality Technical Memorandum***

I-5 Joint Base Lewis-McChord Vicinity Congestion Relief Study, HW Lochner, September 2016

### ***Cultural Resources Assessment***

Joint Base Lewis-McChord Vicinity I-5 Improvement Project, Aqua Terra Cultural Resources Consultants, July 2016

### ***Floodplain Resources Technical Memorandum***

I-5 Joint Base Lewis-McChord Congestion Relief Study, Shannon & Wilson, December 2015

### ***Fish, Wildlife and Vegetation Discipline Report***

I-5 JBLM Vicinity Congestion Relief Project, Shannon & Wilson, April 2016

### ***Geology and Soils Technical Memorandum***

I-5 JBLM Vicinity Congestion Relief Project, Shannon and Wilson, June 2016

### ***Groundwater Technical Memorandum***

I-5 JBLM Vicinity Congestion Relief Project, Shannon & Wilson, April 2016

### ***Hazardous Materials Analysis Report***

I-5 Joint Base Lewis-McChord Vicinity Congestion Relief Study, Shannon & Wilson, April 2016

### ***Land Use Technical Memo***

SCJ Alliance, April 2016

### ***Noise Discipline Report***

I-5 Joint Base Lewis-McChord-Congestion Relief Project, WSDOT – Laura Musso-Escude, May 2016

### ***Socioeconomic and Environmental Justice Discipline Report***

I-5 JBLM Vicinity Congestion Relief Study, WSDOT – Eastern Region Environmental Office, July 2016

### ***Surface Water Discipline Report***

I-5 JBLM Vicinity Congestion Relief Project, Osborn Consulting, April 2016

### ***Transportation Operations and Safety Summary Technical Memorandum***

I-5 JBLM Vicinity Congestion Relief Study, HW Lochner, July 2016

### ***Visual Impact Assessment***

I-5 JBLM Vicinity Congestion Relief, WSDOT – Ed Winkley, November 2015

### ***Wetland and Stream Delineation Report***

I-5 Joint Base Lewis-McChord Congestion Relief Study, Shannon & Wilson, October 2015

### ***Wetland Conceptual Mitigation Memorandum***

I-5 Joint Base Lewis-McChord Vicinity Congestion Relief Study, Shannon & Wilson, April 2016

### **Discipline studies and reports may be obtained at the following locations:**

<http://wsdot.wa.gov/Projects/I5/MountsRdThorneLn/default.htm>

#### **Federal Highway Administration**

Washington Division  
711 South Capitol Way, Ste 501  
Olympia, WA 98501  
360.534.9344

#### **WSDOT, Olympic Region**

##### **Environmental and Hydraulics Services Office**

Jeff Sawyer, Environmental and Hydraulic Manager  
Environmental and Hydraulics Services  
5720 Capitol Boulevard  
Tumwater, WA 98501  
360.570.6700
