BE AWARE OF SCAM EMAILS IMPERSONATING WSDOT

Date: January 11, 2024

The Washington State Department of Transportation has learned of a new scam email going around. The email contains a link to view a bid which goes to a website impersonating WSDOT. The email is coming from a domain wa.wsdot-wa.com that isn't a valid state used address. We recommend blocking that domain to prevent them from sending you potential malicious emails in the future.
