Right of Way

Right of way for this project has been aquired or is in the advanced stages of acquisition. As a minimum, first offers have been made on all parcels.

Signed: _____
Region R/W Supervisor

Certification

This project is in accordance with the Project Prospectus, Design Report, and all Region reviews are complete and appropriate changes included in the PS&E documents.

The status of the Right of Way, Agreements, Environmental Clearances, and Construction Permits is consistent with meeting the Region's requested Advertising date.

I have reviewed this report and am satisfied that it is complete and accurate.
