

**State of Washington
Department of Transportation
Notice to Consultants
Statewide On-Call Moveable & Floating Bridge, Special Structures
and Tunnel Engineering Inspection Services**

The Washington State Department of Transportation (WSDOT) solicits interest from consultants who wish to be evaluated and considered to provide Statewide On-Call Moveable & Floating Bridge, Special Structures and Tunnel Engineering services for WSDOT's Bridge & Structures Division. The approximate dollar value of each On-Call contract will be \$3,000,000. The agreements will be for approximately three (3) years in duration. If necessary, at the option of WSDOT, the agreements may be supplemented for additional time and/or money.
