The Washington State Department of Transportation contemplates awarding a sole source contract to Eco-Counter, Inc to provide an integrated – single device that counts both bicycle and pedestrian traffic at various locations in Washington State. Eco-Counter Inc. is the company that offers a single data logger to count both pedestrians and bicyclists and can record direction. This counter will detect direction of travel (bi-directions) and stores bike and pedestrian traffic counts in the same collection device. The Eco-Multi counter is able to distinguish between bicycles and pedestrians.

The contract will be issued on or about June 11, 2015 for 24 months. The dollar value is estimated at three hundred and forty thousand dollars ($340,000).

To obtain a copy of this sole source contract(s), complete a Public Disclosure Form, and send it to publicdisclosurerequests@wsdot.wa.gov. All requests must be made by within ten (10) calendar days of this announcement.
