

Washington State Department of Transportation

I-5 / 5th Ave NE to NE 92nd Street Noise Wall Project Update – Stage 1

Edition 20, April 16, 2009

Reminder: community celebration this Saturday, April 18

Join us as we host a community celebration event in your neighborhood from **10 to 11:30 a.m. on Saturday, April 18** at the [dead end of Latona Avenue NE near NE 77th Street](#) (Wall 4). Stop by to enjoy the quieter outdoor environment and light refreshments while talking with local elected officials, the construction crew and WSDOT staff. A brief presentation will begin at 10:15 a.m. We hope you can join us.

NE 70th Street on-ramp to northbound I-5 in Green Lake closed around-the-clock this weekend as part of guardrail retrofit project

If April showers give way to April sun, more people will be trying to get out and enjoy the weather this next weekend. If you're a Green Lake or Ravenna resident, or plan on strolling around the lake this weekend, plan ahead for a ramp closure that could affect your trip. Crews will [close the on-ramp from NE 70th Street](#) to northbound I-5 from 9 p.m. Friday, April 17 to 5 a.m. Monday, April 20. A [signed detour](#) using the NE 80th Street on-ramp will be in place.

Crews are installing new traffic loops, replacing guardrail and upgrading lighting fixtures on [northbound I-5](#) between Swift Avenue in south Seattle and NE 70th Street. Work is expected to wrap up by this summer.

Note: This work is part of a separate project and is not part of the [I-5 / 5th Avenue NE to NE 92nd Street Noise Wall Project](#).
