

SR 906 Winter Traffic Congestion

- Move snow to reservoir as a waste site
- Staggering ski lift closures
- Leaving west summit area open longer on Sundays (past 5pm)
- Extend Yellowstone Rd. to Hyak – access to north to exit 54 from ski area
- Eastbound on ramp exit 52
- Offsite shuttle service
- Radio to advise skiers on SR 906 “Ski Area HAR”
- Additional HAR from Easton to Hyak
- Web cams on SR 906

WSDOT appreciates all comments received on November 14th at the “Keeping Snoqualmie Pass Open” public meeting. Although all suggestions may not be implemented WSDOT will take them under advisement to enhance our operations.
