

# **Purpose and Need for the SR 302 Project**

- The purpose of the SR 302 Project is to provide an efficient and functional transportation route in the SR 302 corridor between SR 302 at Key Peninsula Highway and SR 16 in Pierce County.
- The selected alternative will address the following needs:
  - To design improvement(s) that will increase the level of safety for all travelers who use the route.
  - To meet or exceed intersection and highway level of service (LOS) standards during the average weekday peak hour.
  - To reduce average weekday peak hour travel time for those who use the route.
  - To comply with WSDOT policies and consider the accommodation of non-motorized transportation modes.
