Department of Transportation
Notice to Consultants
Investment-Grade Traffic and Toll Revenue Analysis Services for the
Columbia River Crossing Project***

The Washington State Department of Transportation (WSDOT), Oregon Department of Transportation (ODOT), Washington Office of the State Treasurer, and Oregon Office of the State Treasurer (collectively referred to as the “Client Team” in this RFP) solicits Proposals from consulting firms or teams that wish to be considered to provide independent investment-grade traffic and toll revenue analysis services for the Columbia River Crossing (CRC) Project. WSDOT will be the contracting agency. This project will be federally funded. Only consulting firms or teams with extensive experience in successfully preparing investment-grade traffic and revenue forecasts for major tolling projects in the United States will be considered. Furthermore, only proposals offering key team members with demonstrated ability in performing such services will be considered. The selected firm or team must have a proven track record of accurate traffic and toll revenue forecasts.
