September 12, 2011

The following questions were submitted in response to the Washington State Department of Transportation's ACQ-2011-0801-RFP for Automated Speed Enforcement in Work Zones Pilot Project. As required in the Procurement Schedule of ACQ-2011-0801-RFP, answers to Vendor questions are provided below.

Q1: Hours of deployment?

A1: Hours of deployment for automated speed enforcement will vary. Most deployments will take place during day or evening hours, although there may be some deployments that will occur during overnight hours (9:00 pm to 6:00 am).

Q2: Number of violations per month for the last three (3) months?

A2: Our previous pilot projects averaged about 1,000 violations per month.
