

Required “No Effect” Wording for EJ Analysis

Include this wording in the conclusion of your environmental document if your analysis shows:

- There are no minority or low-income populations in the study area.
- There are no adverse environmental or social impacts in the study area.
- The adverse effects are minor and there is limited controversy.
- There are no disproportionately high and adverse effects to minority or low-income populations in the study area.

Concluding statement:

“No minority or low-income populations have been identified that would be adversely affected by this project as determined above. Therefore, this project has met the provisions of Executive Order 12898, as it is supported by Title VI of the Civil Rights Act.”
