SR 520 construction update: November 2014

West Approach Bridge North

Crews working on the West Approach Bridge North project in Seattle take advantage of the Nov. 14 – 17 weekend closure of SR 520 to remove girders on the R. H. Thomson "Ramps to Nowhere". Photo taken Nov. 15, 2014.

Crews use cranes and other equipment to remove girders on the R. H. Thomson "Ramps to Nowhere" during the Nov. 14 – 17 weekend closure of SR 520. Photo taken Nov. 15, 2014.

Eastside construction

The Evergreen Point Road lid is one of three new lidded SR 520 overpasses on the Eastside. Crews continue to make progress on this lid in November. Photo taken Nov. 11, 2014.

Crews continue waterproofing and landscape work on the 92nd Avenue Northeast lid, one of three new lidded SR 520 overpasses on the Eastside. Photo taken Nov. 15, 2014.

Floating bridge and landings construction

The new SR 520 floating bridge takes shape on Lake Washington as crews install new rebar, concrete girders, and low-rise roadway deck sections. Photo taken Nov. 15, 2014.

A worker welds a form that will be used to build columns that will support the low-rise roadway on the new SR 520 floating bridge. Photo taken Nov. 5, 2014.
