
Stay Involved

You will have a variety of means to track the progress of the project and be involved.

Comment on the scope of the Environmental Assessment

- The 30-day Scoping Period is from February 6 - March 9. You can provide written comments at tonight's meeting or by mail or email.

Attend upcoming Open Houses

- The next one is scheduled for April 2007.
- Meeting dates and times of future open houses will be advertised in project newsletters, local newspapers, informational kiosks and displays, and the project web site.

Ask the Project team to hold a Citizen Forum for your neighborhood or interest group
