## I-205 - Mill Plain Exit - 112th Connector *Traffic Related Impacts*

### *Impacts for 112th Avenue, Chkalov Drive and Mill Plain Boulevard (10 p.m. - 5 a.m.)*

- **Temporary lane shifts** on the westbound Mill Plain loop ramp while crews build a retaining wall.
- **Weekend single lane and full closures** of the westbound loop ramp will occur from 10 p.m. Friday to 5 a.m. Monday during the project.
- **Northbound I-205 on-ramp detour** will be built next to existing on-ramp, allowing crews to build the new bridge over the connector.

### *Impacts for I-205*

- **Single and double lane closures** on I-205 between the hours of 10 p.m. and 5 a.m.
- **Closure of the westbound Mill Plain loop ramp** for reconstruction for a period of 15 calendar days (new 112th Connection will be open).
- **Closure of the eastbound left turn lane** for northbound I-205 for a period of 7 calendar days.
- **Advance warning signs will be posted** ahead of closures to alert motorists of the construction zone.

### To Learn More About Traffic Impacts:

- Call 5-1-1 
- Visit the SW Region Weekly Travel Advisory online at: [www.wsdot.wa.gov/regions/southwest/construction](http://www.wsdot.wa.gov/regions/southwest/construction) (updated every Friday afternoon for the next week's impacts).
- Visit the Statewide Traveler Alerts at: [www.wsdot.wa.gov/traffic/trafficalerts](http://www.wsdot.wa.gov/traffic/trafficalerts)

View the progress of this project and related traffic impacts via Web cam by visiting [www.wsdot.wa.gov/projects/I205/MillPlainNE112](http://www.wsdot.wa.gov/projects/I205/MillPlainNE112)
