## Target Audience

For experienced Washington State Local Agency Bridge Program Personnel and Consultants Inspecting Bridges in Washington.

## Course Description

This course will provide information for local agency bridge program personnel based on the National Bridge Inspection Standards (NBIS). Participants will discuss the latest Bridge Inspection Manual, BridgeWorks.Net as well as the new "WSBIS" bridge inspection software, bridge file records, bridge funding and other important bridge program issues. Questions and concerns brought to the workshop will be discussed and resolved.

## Course Objectives

Persons completing this training will understand the Bridge Inspection Manual, *BridgeWorks.Net* bridge inspection software, bridge file requirements, and other bridge program requirements.

## Topics

- Washington State Bridge Inspection Manual (2015 update)
- Local Agency Bridge Inventory
- Bridge Management System (BMS)
- *BridgeWorks.Net* Bridge Inspection Software
- WSBIS Inspection Software
- Bridge Files, NBIS Compliance
- Bridge Inspection and Coding
- Bridge Funding
- Open Forum

Washington State  
Department of Transportation

Please Note: This class does not go into the field.

## Materials to Bring

Participants need to bring the following items:

- Washington State Bridge Inspection Manual\* (WSBIM)
- Laptop computer
- Extension Cord and Power Strip

\*Please bring the latest revision of this manual - electronic or hardcopy. *Be advised that the 2015 WSBIM update should go to publication by the end of December and be available for printing and/or purchase in January of 2016.* The entire manual and update is available for download and printing at: <http://www.wsdot.wa.gov/Publications/Manuals/M36-64.htm> (for the WSBIM)

## Instructors

Roman Peralta and Larry Veden, WSDOT Local Programs Bridge Services.

## Registration

Please register online using this link: [On-line Registration Form](#).

Fill in the requested information, select your class from the list, then press "Submit." When we process your request, a notification will be emailed from [LTAPTraining@wsdot.wa.gov](mailto:LTAPTraining@wsdot.wa.gov) to tell you the status of your registration. If you do not receive this email notification within a few days, you may not be registered and should contact us.

Confirmation emails will be mailed prior to the class. If you are unable to attend, someone else from your agency may attend in your place.

**Please do not register for this training unless you absolutely plan to attend.**

## Questions

On course content, Roman Peralta 360-705-7870 or [PeraltR@wsdot.wa.gov](mailto:PeraltR@wsdot.wa.gov)

All other questions, Lynn Noah [NoahL@wsdot.wa.gov](mailto:NoahL@wsdot.wa.gov) 360-705-7809.
