(SR 520 Bridge Replacement)

Dear Ms. Pihlstrom:

We have received your request to modify the approved plans for the above-referenced Department of the Army permit. The permit authorizes replacing 5.2 miles of the State Route 520 corridor between Interstate 5 and the City of Medina in wetlands and the waters of Portage Bay, Union Bay, and Lake Washington at the Cities of Seattle and Medina, Washington. The modification consists of upsizing a sewer pipe in Lake Washington. Your request for a permit modification is approved. Enclosed are the approved modified plans dated June 24, 2015, which supersede plans authorized by the Secretary of the Army on March 22, 2012; July 20, 2012; July 15, 2013; February 19, 2014; and December 16, 2014.

All other terms and conditions contained in the original permit remain in full force and effect. If you have any questions, please contact Ms. Rebecca McAndrew at mcandrr@wsdot.wa.gov or at (360) 688-3675.

BY AUTHORITY OF THE SECRETARY OF THE ARMY:

for John G. Buck
Colonel, Corps of Engineers
District Engineer
