

Cultural resources

Results of cultural resources investigations

- Historic-period lumber mill works were found on both sites.
- Pre-contact Native American fish weirs were identified at the Anderson & Middleton site. WSDOT believes that these are eligible for inclusion on National Register of Historic Places.
- No resources have been found at the moorage area.

Fish weir found at the Anderson & Middleton site.

Tribal coordination

We are continuing to conduct one-on-one coordination with interested tribal nations:

- Quinault Indian Nation
- Confederated Tribes of the Chehalis Reservation
- Hoh Tribe
- Shoalwater Bay Tribe
- Skokomish Tribal Nation
- Puyallup Tribe of Indians

Members of the Quinault Indian Nation tour the Aberdeen Log Yard site with WSDOT staff.
