

# Save-the-Date

## Join us for a public meeting!

WSDOT is considering adding up to two express toll lanes on I-405 that would connect with HOT lanes on SR 167, creating a 50+ mile corridor from Puyallup to Lynnwood. These new lanes would be in addition to existing general purpose traffic lanes. A report will be submitted to the Governor and Legislature in January 2010. Come learn more and share your thoughts!

For more information visit
