

## School Groups

The safety and well-being of the children participating in your school sponsored ferry trip is important to Washington State Ferries. Safety is our number one priority. In order to ensure we have adequate personal flotation devices (life jackets) for the children in your group weighing less than 90 pounds, please fill out this form and email to [WSFSchools@wsdot.wa.gov](mailto:WSFSchools@wsdot.wa.gov) or fax to 206-515-3773.

- If your trip is to the San Juan Islands, Sidney, B.C. or between Port Townsend and Coupeville, you will be contacted by a reservation agent so that we can reserve specific space for your school vehicles if necessary.
- If your trip is on our other routes: Point Defiance/Tahlequah, Fautleroy/Vashon/Southworth, Seattle/Bremerton, Seattle/Bainbridge, Edmonds/Kingston or Mukilteo/Clinton, we will alert the Terminal Staff of your arrival.
