6431 Corson Avenue South, Seattle, WA 98108
206-768-5901*

(*The phone number(s) at the above training facilities can be used in case of emergency to contact a student in the class.)

Cost: Free

Time: 8:00 a.m. – 4:30 p.m.

Class Size: 20

Target Audience

For project inspectors and field engineers who are or will be engaged in a project requiring the installation of highway lighting, traffic signal systems and ITS.

Instructor: Mark Scheuffele, WSDOT Olympic Region Construction Trainer

Description and Objectives

This course is designed to familiarize the participant with procedures for construction of highway lighting, traffic signal systems & ITS (Intelligent Transportation Systems). This course will also familiarize the inspector with materials, special provisions, standard plans & regional plans used to construct the systems.

Upon completion of this course, participants will be able to: 1. Understand illumination, traffic signal & ITS system functions. 2. Read & interpret illumination, traffic signal & ITS system plans. 3. Understand regional special provisions. 4. Interpret standard plan & regional detail plan sheets. 5. Detect unworkmanlike procedures. 6. Conceptualize the total function & purpose of the illumination, traffic signal & ITS system.

Registration

Please register on-line using this link: [LTAP Training On-line Registration Form](#). Fill in the requested information, select your class from the list, then press "Submit." You will receive an e-mail notification from LTAPTraining@wsdot.wa.gov when we process your request. If you do not receive this e-mail notification within a day or two, you may not be registered and should contact us by phone.

Confirmation notice will be e-mailed prior to the class. If you are unable to attend, someone else from your agency may attend in your place.

Questions

For other questions on this training, for registration assistance, or for cancellations contact Judy McDonald at 360-705-7355 or McdonJT@wsdot.wa.gov

Disability accommodations provided upon request.
