Provided further, That 30 percent of the funds apportioned to a State under this heading shall be suballocated within the State in the manner and for the purposes described in the first sentence of subsection 133(d)(3)(A), in subsection 133(d)(3)(B) and in subsection 133(d)(3)(D):

23 USC 133 Surface transportation program

(d) Allocations of Apportioned Funds — Division between urbanized areas of over 200,000 population and other areas.

(3) Division between urbanized areas of over 200,000 population and other areas.—

(A) General rule.— Except as provided in subparagraph (C), 62.5 percent of the remaining 90 percent of the funds apportioned to a State under section 104 (b)(3) for a fiscal year shall be obligated under this section —

- (i) in urbanized areas of the State with an urbanized area population of over 200,000, and
- (ii) in other areas of the State,

in proportion to their relative share of the State's population.

(B) Special rule for areas of less than 5,000 population. — Of the amounts required to be obligated under subparagraph (A)(ii),

the State shall obligate in areas of the State (other than urban areas with a population greater than 5,000) an amount which is not less than 110 percent of the amount of funds apportioned to the State for the Federal-aid secondary system for fiscal year 1991.

(D) Distribution between urbanized areas of over 200,000 population. — The amount of funds which a State is required to obligate under subparagraph (A)(i) shall be obligated in urbanized areas described in subparagraph (A)(i) based on the relative population of such areas; except that the State may obligate such funds based on other factors if the State and the relevant metropolitan planning organizations jointly apply to the Secretary for the permission to do so and the Secretary grants the request.
