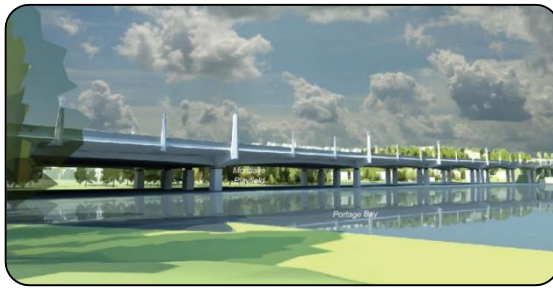
West Approach Bridge North Project

September 7, 2016



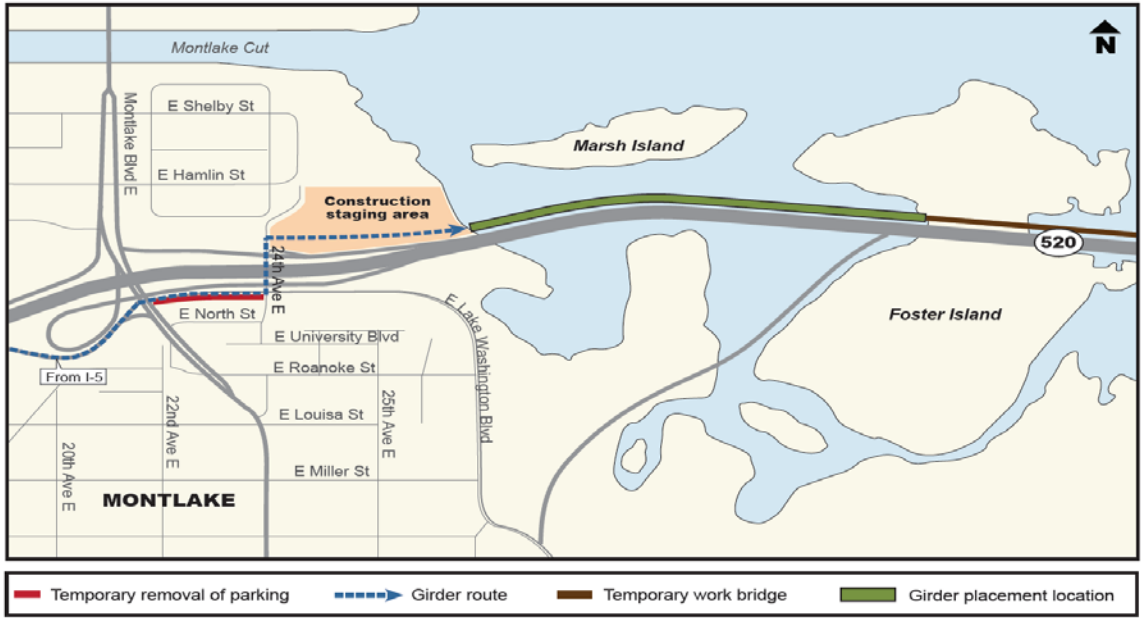
Arboretum waterfront trail closures

The Arboretum Waterfront Trail will be closed intermittently in September as the contractor installs the permanent WABN structure near the trail.

Scheduled closure dates:

- 7 a.m. to 5 p.m. Friday, Sept. 9
- 8 p.m. Thursday, Sept. 15, through 5 p.m. Friday, Sept. 16
- 8 p.m. Monday, Sept. 19, through 5 p.m. Friday, Sept. 23

Girder delivery resumes in mid-September



- **Nighttime truck deliveries**: Intermittent deliveries between **9 p.m. and 5 a.m.** up to five nights per week, Monday through Friday.
- **Intermittent flagging**: Flaggers will briefly hold traffic traveling in both directions on East Lake Washington Boulevard and on the westbound SR 520 off-ramp to East Lake Washington Boulevard. There will also be a rolling slowdown on the eastbound SR 520 on-ramp from Montlake Boulevard.
- **Parking restrictions**: Parking will be restricted at night on **East Lake Washington Boulevard** between Montlake Boulevard and 24th Avenue East. Follow the information on posted no parking signs.

Girder delivery resumes in mid-September

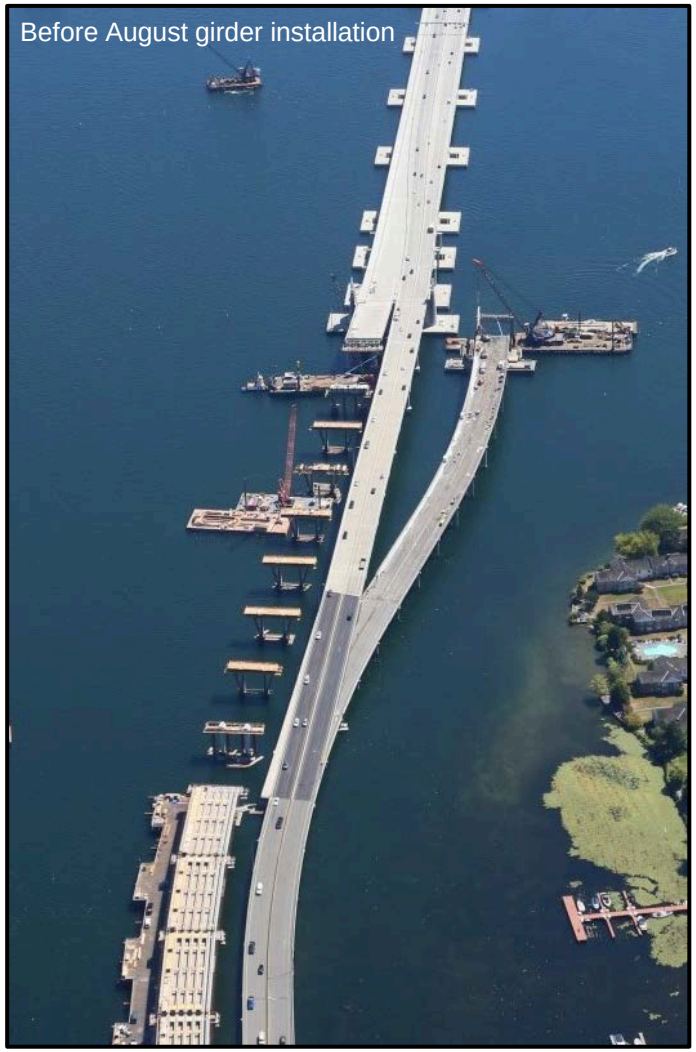
- **Construction lights**: Bright lights may be seen as crews install girders overnight. For safety, crews may use flood lights in addition to lights from construction equipment to illuminate the work area.

- **Noise**: At night, you may hear crews bringing girders in by truck and using cranes to install them. Crews will also use hammers to attach brackets to the girders in the MOHAI site.

Construction progress

All casings and shaft installation for the permanent WABN structure is complete.

Construction progress



After the girder installation of Aug. 10 through Aug. 13, all girders east of the WABN temporary work bridge have been installed.
