

Keeping Snoqualmie Pass Open

WSDOT and WSP will be hosting a public meeting to discuss winter operation methods, challenges, and an innovative approach to keeping Snoqualmie Pass open.

Get first-hand information

WSDOT staff and WSP will be on hand to share information, answer questions, and listen to your comments.

How will this impact your business or travels?

What feedback or input on these operation methods do you have?

How might traffic flow on the pass be affected?

Come see for yourself

We have scheduled speakers, followed by break-out sessions where you can express your opinions, and explore these topics:

Avalanche Control

Chemical Snow and Ice Control

Traffic Flow Management

Communications

SR 906 Winter Traffic Congestion

Access for Emergency Services and Pass Employees

Chain Enforcement and Chain Installation
