

Confiscate Permit – This option allows a user to confiscate a permit per a WSP Officer because of a violation of the permit.

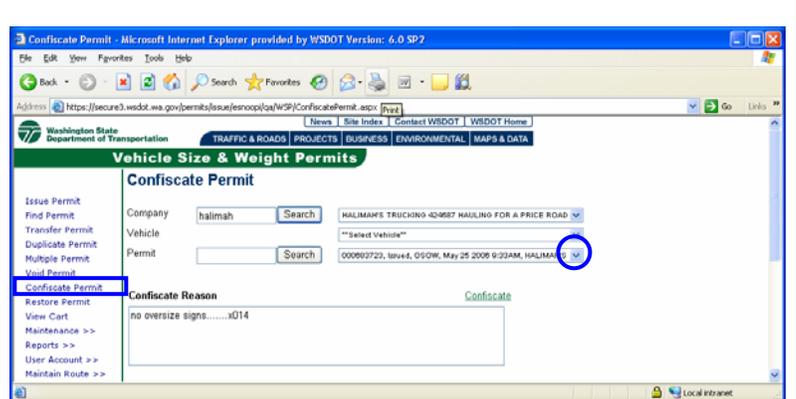

Enter the permit number provided by WSP Officer/Trooper.

Click the down arrow to select the permit that will be confiscated.

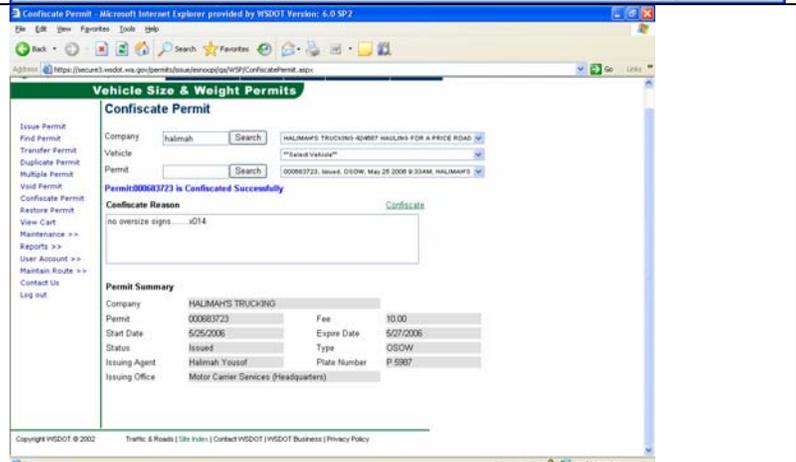

Type in the reason for the confiscation per the WSP Officer in the Confiscate Reason

*****Remember to include the Officer's badge number*****

Click the Confiscate link.

eSNOOPI will display a message informing the user if it was successful confiscation.

The word Confiscated will be printed across the permit.
