

US 12/SR 124 Intersection – Build Interchange (Likely Preferred Alternative)

Four-laning US Highway 12

Project Features

- Improvements will include a new interchange at the US 12/SR 124 intersection.
- A bridge will be constructed for Humorist Road to cross over US 12.
- Traffic crossing on US 12 will be eliminated at the US 12/SR 124 and Humorist Road intersections.
- A preferred alternative will be selected based on engineering, social, economic, and environmental considerations.
