SAFETEA-LU

- **Authorization:** SAFETEA-LU is extended through February 28.
- Significant continuing provisions include:
  - Federal reliance on the statewide transportation planning process as the primary mechanism for cooperative transportation decision making throughout the State.
  - Coordination of statewide planning with metropolitan planning.
  - Emphasis on fiscal constraint and public involvement in the development of the Statewide Transportation Improvement Program (STIP).
  - **Emphasis on involving and considering the concerns of Tribal governments in planning.**
  - State development of statewide transportation plans and programs.
  - Plan and program shall be developed in consultation with affected local officials with responsibility for transportation in non-metropolitan areas, but this process will not be reviewed or approved by the Secretary.
