Diversity Definitions

Native American or Alaskan Native: A person with origins in any of the original peoples of North America and who maintains cultural identification through documented tribal affiliation or community recognition.

Asian or Pacific Islander: A person with origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands. For example, China, Japan, Korea, Pakistan, the Philippine Republic, and Samoa.

Black/African American. A person with origins in any of the Black racial groups of Africa.

Hispanic: A person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin regardless of race. For example, persons from Brazil, Guyana, or Surinam would be classified according to their race and would not necessarily be included in the Hispanic category. This category does not include persons from Portugal, who should be classified according to race.

White/Caucasian: A person with origins in any of the original peoples of Europe, North Africa, or the Middle East.

Disabilities: For Affirmative Action purposes, people with disabilities are persons with a permanent physical, mental, or sensory impairment which substantially limits one or more major life activities. Physical, mental, or sensory impairment means: (a) any physiological or neurological disorder or condition, cosmetic functions; or (b) any mental or psychological disorders such as mental retardation, organic brain syndrome, emotional or mental illness, or any specific learning disability. The impairment must be material rather than slight, and permanent in that it is seldom fully corrected by medical replacement, therapy or surgical means.

Disabled veteran: A person entitled to disability compensation under laws administered by the U.S. Department of Veteran Affairs for disability rated at 30 percent or more, or a person whose discharge or release from active duty was for a disability incurred or aggravated in the line of duty.

Vietnam-era veteran: A person who served on active duty for a period of more than 180 days, any part of which occurred between August 5, 1964, and May 7, 1975, and was discharged or released from duty with other than a dishonorable discharge.

To ensure equal employment opportunity, we ask your voluntary cooperation in responding to the questions above. This information will be treated as confidential, and will be available only to authorized personnel. Please review the Diversity Definitions listed above
