

I-405 Renton Stage 2 Widening Project

New Benson Road S. bridge construction

What's happening on I-405 in Renton?

As part of the I-405/I-5 to SR 169 Stage 2 – Widening and SR 515 Interchange Project, WSDOT will install bridge girders for the new Benson Road S. bridge over I-405 in Renton. Construction of the new bridge makes room for the addition of new lanes on I-405 and new on- and off-ramps connecting to Talbot Road (SR 515).

Setting the bridge girders requires nightly rolling slow-downs, lane and ramp closures, and closures of Benson Road S. This work is completed at night to minimize the impact to the daytime commute.

When will this happen?

The bridge girder work is scheduled for the first two weeks of February 2010. (see calendar below).

In order to complete this work, crews will use lane closures on I-405, rolling slow-downs on north- and southbound I-405, and close the northbound SR 167 to northbound I-405 ramp. In Renton, crews will close Benson Road S.

During rolling slow-downs, delays are expected. Drivers are encouraged to use alternate routes such as I-5, I-90, and SR 520. (See page 2 for alternate routes).

February 2010

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
7	8	9	10	11	12	13
		Benson Rd. S. bridge closed 6:00 pm (Tues) – 4:00 am (Wed)		NB SR 167 to NB I-405 ramp closed 10:00 pm (Thurs) – 4:00 am (Fri)		
			NB SR 167 to NB I-405 ramp closed 10:00 pm (Wed) - 4:00 am (Thurs)			
	I-405 northbound rolling slow-down (Renton) 11:59 pm (Mon) - 4:00 am (Tues)		I-405 northbound rolling slow-down (Renton) 11:59 pm (Wed) - 4:00 am (Thurs)			
	I-405 southbound lane closures- (up to two lanes) 9:00 pm - 4:30 am, nightly (Monday – Thursday)					
	I-405 northbound lane closures- (up to two lanes) 10:00 pm - 4:30 am, nightly (Monday – Thursday)					

Where will this happen?

Northbound I-405 rolling slow-downs will occur between I-5 and SR 169 (Maple Valley Highway).

Northbound and southbound I-405 lane closures will occur between SR 167 and SR 169.

During the bridge work, crews will close the northbound SR 167 to northbound I-405 ramp. During this ramp closure, please use the detour along Renton local streets. (See detour map on page 2).

Benson Road S. will close between Renton City Hall and Eagle Ridge Drive. To access businesses and residences along Benson Road during this closure, please use the Talbot Road (SR 515)/Puget Drive detour. (See detour map on page 2).

405 Corridor Program

Congestion Relief & Bus Rapid Transit Projects

What can I do during construction?

- To help minimize backups during construction;
 - Delay or reschedule discretionary trips through or near the construction area
 - Use alternate routes (see maps on right)
 - Allow extra time

What tools can I use to get where I need to go?

- The traffic flow map before you head out the door: www.wsdot.wa.gov/traffic/seattle
- Dial 511 for travel information

For more project information:

- Visit the project website: www.wsdot.wa.gov/Projects/I405/SR515Interchange/Now.htm
- The I-405 Project Hotline: 425-456-8585
