

**APPENDIX 10:**

**Evaluation**

**Criteria Weighting**

**Summary**

## Evaluation Criteria Weighting Summary

Code	Evaluation Criteria	Weighting Factor (Consultant Team)	Weighting Factor (WSDOT Survey)	Weighting Factor (Advisory Committee Survey)	Weighting Factor (All Averaged)
AE	Solutions or combinations of solutions that address the funding gap	7.0	7.1	6.0	6.7
AA	Solutions that support and enhance aviation system safety and security	6.8	4.1	7.1	6.0
AI	Solutions that support and enhance aviation system capital and preservation needs*		6.3	5.4	5.9
AB	Solutions that support and enhance aviation system capacity	4.4	5.8	6.5	5.6
AC	Solutions that support and enhance aviation system facilities and operational efficiencies	6.1	4.8	5.9	5.6
AP	Solutions that improve at least 92% of airport pavements to fair or better condition	4.5	6.2	5.2	5.3
AK	Solutions that can garner stakeholder support	4.1	6.2	4.4	4.9
AQ	Solutions that provide for safety of people and property	6.5	3.8	4.1	4.8
AU	Solutions that maintain prior investments in transportation systems and services*		6.5	3.1	4.8
AG	Solutions that provide sustainable revenues	6.0	4.1	4.2	4.8
AH	Solutions that have the highest benefit to cost ratio	4.5	4.1	5.0	4.5
AD	Solutions that support aviation system sustainability	2.7	4.8	5.4	4.3
AS	Solutions that improve statewide mobility of people, goods, and services	5.0	2.8	3.4	3.7
AF	Solutions that support emerging technologies and future aviation system needs	3.9	2.2	4.6	3.6
AW	Solutions that provide opportunity for aviation system growth	4.8	3.7	2.0	3.5
AL	Solutions that are equitable among various users	3.3	3.2	3.9	3.5
AM	Solutions that balance the needs of various Washington airport classifications	2.3	4.5	2.7	3.2
AV	Solutions that increase jobs, wages, economic output, and/or tax revenues	4.0	2.4	3.0	3.1
AX	Solutions that leverage private investment	4.6	1.2	3.1	3.0
AJ	Solutions that can be implemented in a timely manner	2.6	2.8	3.4	2.9
AY	Solutions that improve airport management across the system	5.3	2.1	0.7	2.7
BB	Solutions that improve interstate and international commerce	4.5	1.5	1.8	2.6
AT	Solutions that improve quality of life and environment	1.8	3.4	1.3	2.2
AN	Solutions that are balanced across Washington State geographically	1.7	2.5	2.4	2.2
AO	Solutions that maintain infrastructure assets at 2012 baseline levels*		2.2	2.1	2.2
AR	Solutions that protect and improve, and provide access to natural resources, and cultural and recreational opportunities throughout the state	1.6	0.9	1.3	1.3
AZ	Solutions that promote public awareness and access to aviation system	1.3	0.7	1.5	1.1
BA	Solutions that leverage partnerships with education	0.8	0.0	0.7	0.5
TOTAL			100.0	100.0	100.0
