

FIND PERMIT SCREEN

The find permit screen allows the user to search for a permit either by company name or permit number.

If a user needs to find a permit:

- Click on **find permit**

NOTE: For self issuers the company field will be populated with your company.

- In the **permit field** type in the permit number or click the down arrow and select. (See Diagram below)
- Click the **search button** and the permit will populate in the Select Permit field.
