

I-5 Spokane Street to I-90 Bridge Repair - Alternate Routes

WSDOT recommends drivers use the following alternate routes during construction on the I-5 Spokane Street to I-90 Bridge Repair project:

- SR 509 (also a primary truck, transit and vanpool alternate route)
- SR 99
- SR 599
- SR 519
- I-405
- Martin Luther King Jr. Way
- Airport Way S. (Northbound right lane designated for trucks, transit and vanpools only.)
- Beacon Avenue S.
- 4th Avenue S.
- 1st Avenue S.
- East Marginal Way (also a primary truck, transit and vanpool alternate route)
