

# SR 520 Bridge Replacement and HOV Program

Medina to SR 202: Eastside Transit and HOV Project

June 2011

## Bellevue Way N.E. off-ramp changes starting June 20

### What's happening to the Bellevue Way N.E. off-ramp?

On June 20, drivers will use a new way to access Bellevue Way N.E. from eastbound SR 520. During the June 17-20 weekend full closure of the SR 520 bridge and highway, crews will close the existing eastbound SR 520 off-ramp to southbound Bellevue Way N.E. until winter 2012. The temporary ramp closure is necessary so crews can reconstruct the Bellevue Way N.E. interchange.

### How will drivers access Bellevue Way N.E. from eastbound SR 520?

Drivers will use a temporary ramp alignment on the existing eastbound SR 520 off-ramp to northbound Bellevue Way N.E. to a temporary traffic signal at the bottom of the ramp. Drivers will then be able to turn left to go south to Bellevue or right to go north to Kirkland.
