

Valley Mall Boulevard Interchange Improvements

April 2010

DETOUR

Westbound I-82 – on and off connections

Starting Monday, April 26, 2010 westbound traffic will no longer be able to exit I-82 at Valley Mall Boulevard. Signs will direct drivers to exit 38 (South Union Gap) and drive north on Main Street to Valley Mall Boulevard.

Accessing I-82 westbound from Valley Mall Boulevard will not change during construction. Drivers will use the modified on-ramp to reach westbound I-82.

Driver Options

WSDOT advises travelers to know before you go and stay alert in construction zones. Drivers can call 511 to get up to date traffic and road information. Exit 38 (South Union Gap) and exit 34 (Nob Hill) can serve as alternate routes.

WSDOT offers several ways for drivers to get up-to-date information regarding this project to make informed decisions about best times to travel.

- Call the project hotline, **(509) 577-1695**
- Visit the project Web page
