

## AGENDA

### West Approach Bridge North Project Monthly Public Meeting – #2

Wednesday, Dec. 3, 2014

5:30 – 6:30 p.m.

Montlake Community Center – Multi-Purpose Room  
1618 E Calhoun Street, Seattle, WA 98112

**Purpose:** WSDOT and Flatiron West, Inc. will co-host monthly public meetings during construction of the SR 520 West Approach Bridge North Project (WABN). The monthly meeting is a forum to invite the local community to learn the latest on upcoming construction activities and ask questions to the contractor and project staff about construction progress.

| Time                                                                                                                                                            | Topic                                                                                                                                                                                      | Lead                                                   |
