

SR 520 Bridge Replacement and HOV Program

Medina to SR 202: Eastside Transit and HOV Project

August 2012

108th Avenue Northeast On-Ramp Closure

108th Avenue Northeast on-ramp to westbound SR 520 will close Sept. 7 - 10

Eastside Corridor Constructors (ECC) will close the 108th Avenue Northeast on-ramp to westbound SR 520 from **11 p.m. Friday, Sept. 7 to 5 a.m. Monday, Sept. 10**. The closure is necessary to complete drainage system work before the start of wet weather in the fall and winter months.

Detour route:

- Drivers heading toward Seattle can follow a posted detour to the Bellevue Way on-ramp to westbound SR 520, via Northup Way.
- Drivers can still use the nearby ramps from westbound SR 520 to 108th Avenue Northeast and from 108th Avenue Northeast to eastbound SR 520.

Nighttime construction noise expected: Residents near SR 520 can expect to hear the sounds of power tools, trucks, heavy construction vehicles, back-up alarms and light generators.

24-hour construction hotline: If you have a question or a concern about the project's construction activities please call our **24-hour construction hotline: 425-998-5200**.

If you would like regular project updates, please **email dan.galvin@gcinc.com** and we'll add you to our distribution list for construction news. We want to hear from you, so please tell us how you want to hear from us.
