

I-90 Bellevue to North Bend Corridor Study

We want to hear from you. Tell us what you think.

We are examining congestion and safety issues on I-90 between Eastgate and North Bend. We'll use your comments and suggestions to help identify transportation-related problems as we work with representatives from local agencies to create a list of projects to enhance safety and reduce congestion on I-90.

Why do you take I-90?

- Traveling to recreation areas
- Commuting to work
- Taking your children to school or activities
- Driving to shopping areas
- Transporting goods

Other: _____

What is your primary way of traveling I-90?

- Share a ride in a carpool or vanpool
- Take the bus
- Drive alone

Other: _____

Where do you encounter congestion or merging problems on I-90? What times of day?

Are there any locations between Bellevue and North Bend that you think need safety improvements?

What are the main challenges you think drivers face on the highway today? How about in the future?

Is there anything else that you want us to know?

Please let us know how to reach you so we can keep you updated about this study:

Name: _____

E-mail/Phone: _____
