

# Oversized Vehicles to Southworth

Vashon to Southworth vehicles longer than 38' accommodated on six sailings per day or may use the Tahlequah route

**No vehicles taller than 7'1" or longer than 22' to Southworth on corresponding departures from Fauntleroy.**

## Normal westbound loading

- Normal westbound loading requires Vashon to Southworth tall vehicles to back onto the ferry
- Construction limits turn radius to vehicles less than 38' long

## Modified loading six sailings per day

- Modified loading on westbound departures accommodates Vashon to Southworth vehicles (over 38') on six sailings per day
- Southworth-bound vehicles will turn around on the ferry in Fauntleroy on these six sailings
- No Southworth-bound vehicles taller than 7'1" or longer than 22' allowed on these corresponding Fauntleroy departures

## Vashon Ferry Trestle Rehabilitation
