## SR 520 construction update: July 2014

### West Connection Bridge construction

Crews pour more than 60 truckloads of concrete for the new West Connection Bridge during the July 11-14 weekend closure. Photo taken July 12, 2014.

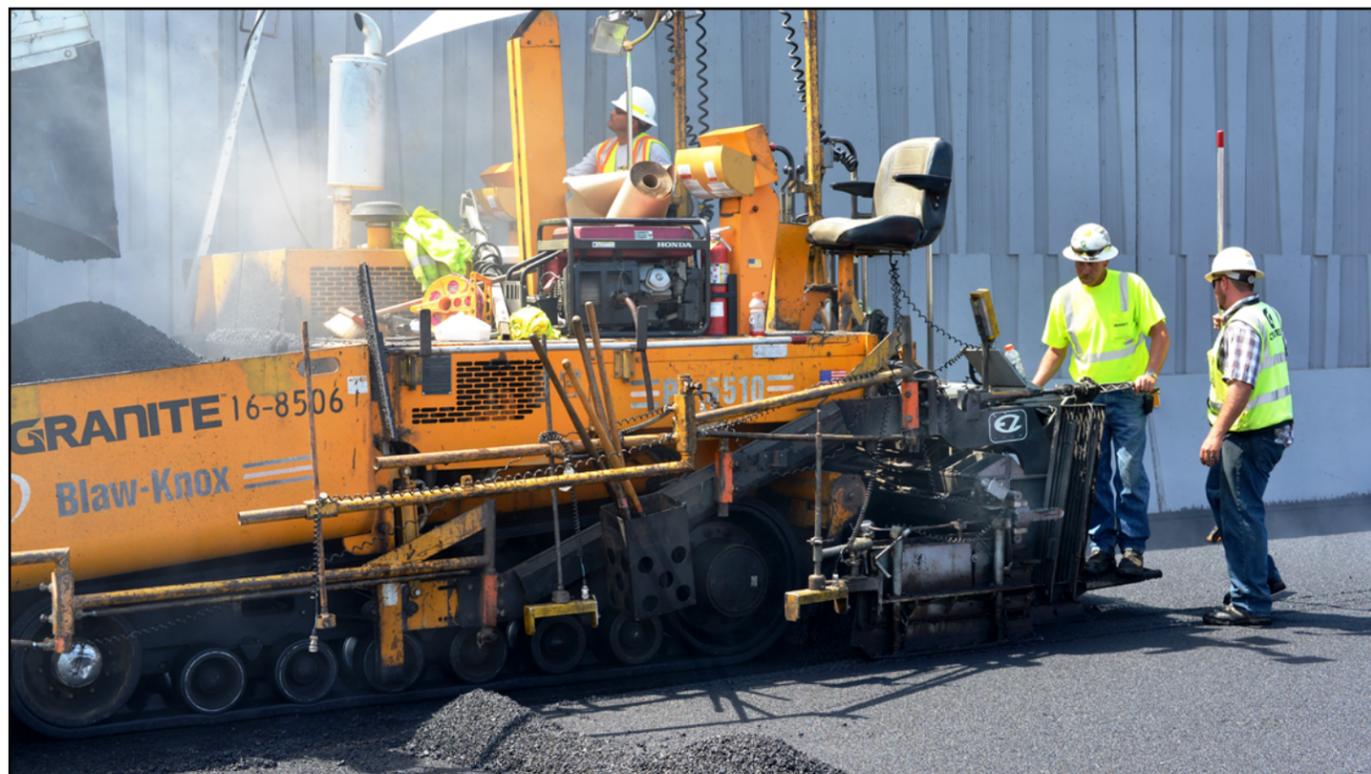

West Connection Bridge crews take advantage of good weather and complete the final road deck sections during a July weekend closure of the highway. Photo taken July 12, 2014.

## Eastside construction

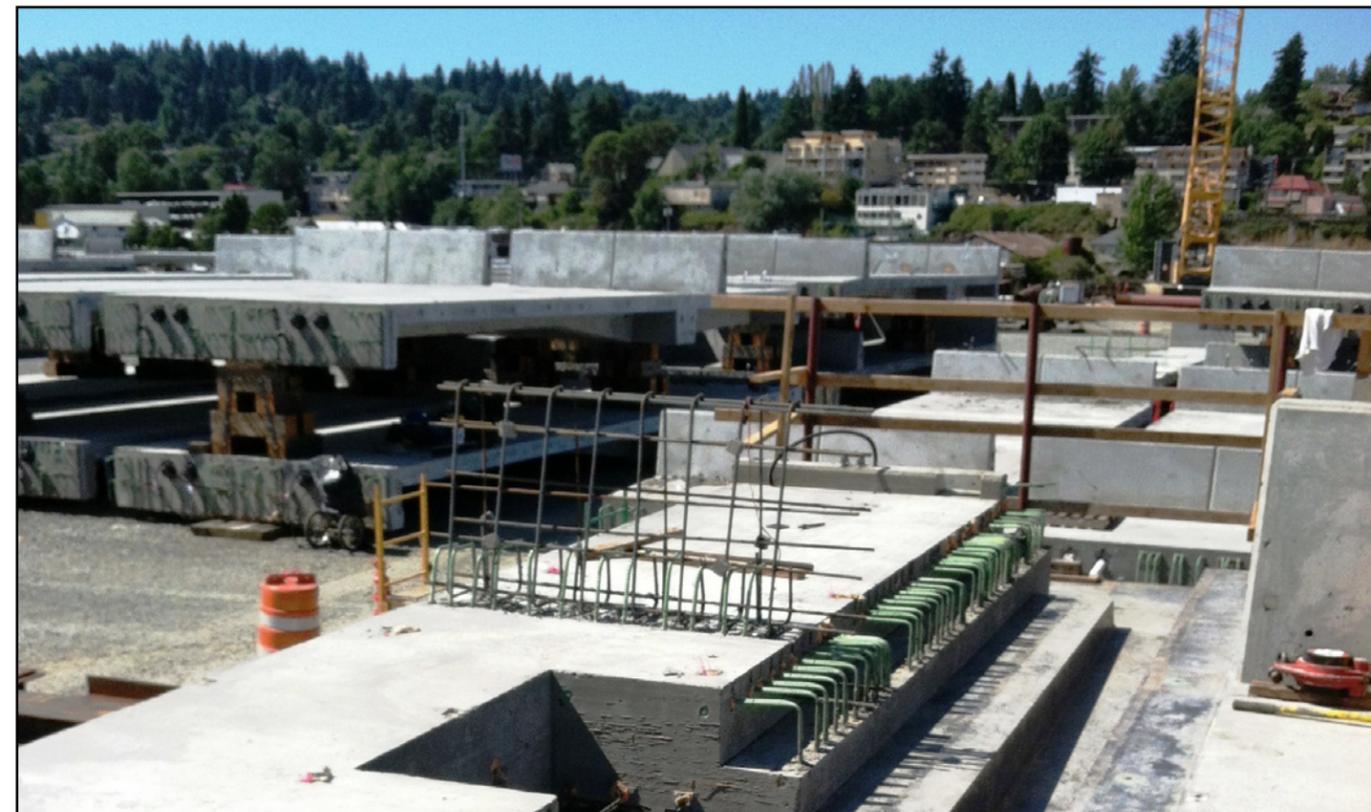

Construction crews on the Eastside open the new 92nd Avenue Northeast median transit stop on July 14 following a weekend closure. Photo taken July 13, 2014.

Sunny July weather gives crews on the Eastside the opportunity to place approximately 10,000 tons of asphalt for the new mainline lanes of SR 520. Photo taken July 13, 2014.

## Construction activities in Tacoma and Kenmore

Crews in Kenmore continue to make progress building new low-rise deck panels for the new floating bridge. Photo taken July 11, 2014.

A worker ties steel rebar inside one of eight new supplemental stability pontoons currently under construction in Tacoma. This is the sixth and final cycle of pontoon construction in Tacoma. Photo taken July 11, 2014.
