SR 14/Camas Washougal - Add Lanes and Build Interchange

Project Information	
PIN: 401409W	As of Date: June 2017
Region: Southwest	Regional Admin: K. Strickler
State Route: SR 14	
Current Status: Completed	Legislative Districts: 18

Project Description

This project will improve safety and reduce congestion on SR 14 in the Camas/Washougal area. Median barrier will be placed on West Camas Slough Bridge and SR 14 widened to 4 lanes from Lady Island through 2nd Avenue with a split diamond interchange at Union and 2nd Avenue.

Contractor: 008105 - Tapani Underground, Inc. - $28,618,804 - 4/18/11

Explanation Of Variance

The ad date was delayed by 5 months This project requires a Shoreline permit through one of the local municipalities. The permit processing cannot begin until WSDOT has acquired all the property in whole, obtains possession and use, or receives property owner signatures for the properties necessary for construction. Right of Way negotiations are taking longer than anticipated since December 2009, which have resulted in delays in obtaining the local agency permit and Right of Way Certification. Delays in both of these items has affected the project AD date.
