

Alaskan Way Viaduct **REPLACEMENT** PROGRAM

January 2019

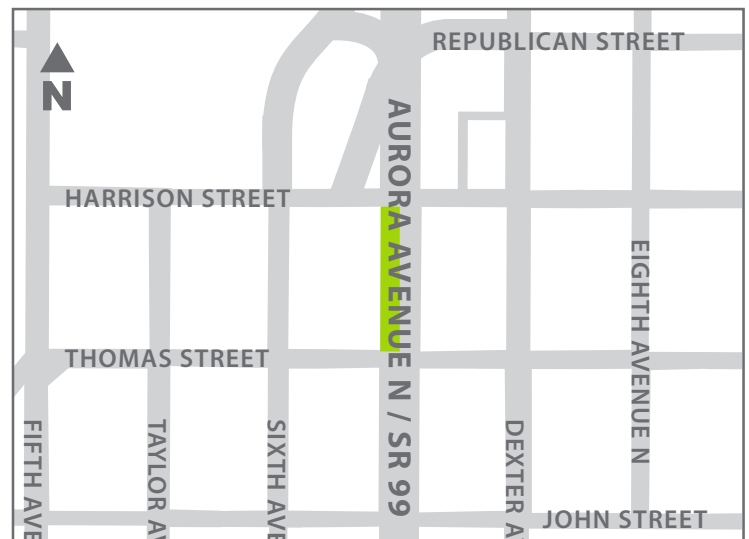

Utility locating work to continue along Aurora Avenue North

Starting as soon as Monday, Jan. 7, crews will continue confirming utility locations along Aurora Avenue North between Harrison Street and Thomas Street. This work is anticipated to be completed in one to two nights and will entail drilling holes in the pavement and using a vacuum excavator to locate underground utilities.

What to expect

- Nighttime work hours: 9 p.m. to 5 a.m.
- Business access will be maintained.
- Intermittent parking and travel lane restrictions.
- Detours for people walking, biking, and driving.
- Typical construction impacts such as increased dust, noise, vibration, and truck activity.
