

DBE participation on the North Access Project

Because the North Access Project is a design-bid-build contract, firms submitting proposals were required to include the DBE firms they will utilize to meet the project goal as part of their bid. This contract was awarded to Guy F. Atkinson Construction with the condition that \$4,580,000 worth of work – 11 percent of the total contract amount – be performed by certified DBE firms.

List of firms participating in the project:

1. John Wayne Construction Co. Inc.
2. 1 Alliance Geomatics, LLC
3. O'Neill Service Group
4. Green City Inc.
5. Express Iron Works Inc.
6. Kodo Construction
